

## **BJ's Rentals Equipment Protection Plan & Equipment Protection Plus Programs**

We've introduced a more comprehensive level of optional protection that also covers equipment stolen while out on rental. Our standard **EQUIPMENT PROTECTION PLAN** option (12% of the rental rate) protects you against the cost of repairing damage to equipment you rent from BJ's Rentals. Now, our **EQUIPMENT PROTECTION PLAN PLUS** option (17.5% of the rental rate) covers you for loss by theft as well. If you want to avoid unforeseen charges due to damage or theft then make sure you are covered by our EQUIPMENT PROTECTION PLAN PLUS option, subject to the terms and conditions below.
