INSURANCE CERTIFICATE REQUIREMENTS

To avoid charging a 12% fee on each contract for our Equipment Protection Plan, a certificate of insurance containing the following information is required:

1. Rented/Leased equipment policy with a \$75,000. limit (minimum) **OR** Inland Marine Policy **OR** Contractor's Equipment floater with physical damage coverage in regards to equipment that is hired, rented, leased or borrowed indicating limits.
2. BJ's Rentals, Inc. named as Additional Insured, Loss Payee & Certificate Holder.
3. Must have General Commercial Liability coverage (1,000,000. minimum).
4. Coverage can be limited to specific piece of equipment **OR** "blanket cover for all rental equipment".
5. Automobile liability coverage including non-owned and hired auto with all limits.
6. Workers Compensation coverage including employees liability with all limits.
7. Thirty-day (30) advance notice of cancellation and/or material change in the policy coverage.

If these requirements are not met, we will charge the 12% Equipment Protection Plan to each invoice.
